**THE VILLAGE FAMILY SERVICES FOSTER FAMILY AGENCY FISCAL ASSESSMENT AND
CONTRACT COMPLIANCE REVIEW**

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a review of The Village Family Services Foster Family Agency (the FFA) in May 2014 and June 2014. The FFA has two licensed offices located in the First Supervisorial District and in the Third Supervisorial District. Both offices provide services to County of Los Angeles DCFS foster children and youth. According to the FFA's program statement, its stated mission is, "to protect children from abuse, preserve families, and build a stronger and safer community for all."

At the time of review, the FFA supervised 244 DCFS placed children in 97 certified foster homes. The placed children's overall average length of placement was 13 months, and their average age was nine.

SUMMARY

CAD conducted a Fiscal Assessment, which included an on-site review of the FFA's financial records, such as financial statements, bank statements, check register, and personnel files to determine the FFA's compliance with the terms, conditions, and requirements of the FFA Contract, the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook) and other applicable federal, State, and County regulations and guidelines.

The FFA was in full compliance with 3 out of the 5 areas of the Fiscal Assessment: Financial Overview; Cash/Expenditures; and Payroll and Personnel.

CAD identified deficiencies in the areas of: Loans, Advances and Investments, related to investment of County funds in Non-Federal Deposit Insurance Corporation (FDIC) insured accounts; and Board of Directors and Business Influence, related to Board meeting minutes not being certified by the Board Secretary.

"To Enrich Lives Through Effective and Caring Service"

During CAD's Contract Compliance review, the interviewed children generally reported: feeling safe at the FFA; having been provided with good care and appropriate services; being comfortable in their environment and treated with respect and dignity. The certified foster parents reported that they were supported by the FFA staff in their efforts to provide care, supervision, and service delivery to the children placed in their homes.

The FFA was in full compliance with 8 out of the 11 sections of our Contract Compliance Review: Certified Foster Home; Facility and Environment; Education and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Discharged Children; and Personnel Records.

CAD noted deficiencies in the areas of: Licensure/Contract Requirements, related to Community Care Licensing (CCL) citations; Maintenance of Required Documentation and Service Delivery, related to the FFA not obtaining the County's Children's Social Worker's authorization to implement Needs and Services Plans; and Personal Needs/Survival and Economic Well-Being, related to one child that reported not having more freedom to choose their own clothing, one child reported not receiving allowance weekly, and two children reported not having a life book/photo album.

Attached are the details of our review.

REVIEW OF REPORT

On June 26, 2014, CAD's Anthony Curry held an Exit Conference with FFA staff: Hugo Villa, Chief Executive Officer; Irma Seilicovich, Chief Operations Officer; Ivonne Wolovich, Vice President of Finance; Krisha Brown, Vice President of Administration; Kelly Bijer, Director of Quality Assurance; Diana Redeemer, Director of FFA Adoptions Intensive Treatment Foster Care; Elizabeth Rosas, Assistant Director of FFA; Adik Parsekhian, Assistant Director of Quality Assurance; and Madalena Cooper, Social Worker. DCFS staff included: Helga Kiaian, Financial Specialist IV; Kristine Ovsepyan, Administrative Services Manager II; Sherman Mikle, Children's Services Administrator II; Dario Villamarin, Aiyana Rios and Elizabeth Villalobos, DCFS Out-of-Home Care Management Division (OHCMD) Reviewers. The FFA representatives were in agreement with the review findings and recommendations, were receptive to implementing systemic changes to improve compliance with regulatory standards, and to address the noted deficiencies in Corrective Action Plans (CAPs) and a Quality Improvement Plan (QIP) addressing the recommendations noted in this report.

A copy of this compliance report has been sent to the Auditor-Controller and CCL.

The FFA provided the attached approved Fiscal and Contract Compliance CAPs and a Quality Improvement Plan (QIP) addressing the recommendations noted in this compliance report. CAD conducted follow-up visits to the FFA on October 22, 23, and 24, 2014, and verified implementation of the CAP. OHCMD provided technical assistance to the FFA on August 6, 2014, to assist the FFA with implementing their CAP.

FISCAL ASSESSMENT REVIEW
JULY 2013 – JUNE 2014**

SCOPE OF REVIEW

The Fiscal Assessment included review of the Village Family Services Foster Family Agency (the FFA) financial records, such as financial statements, bank statements, check register, and personnel files to determine the FFA's compliance with the terms, conditions, and requirements of the FFA Contract, the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook) and other applicable federal, State, and County regulations and guidelines, for the review period of July 1, 2012 through June 30, 2014.

The on-site Fiscal Assessment reviews focused on five key areas of internal controls:

- Financial Overview,
- Loans, Advances and Investments,
- Board of Directors and Business Influence,
- Cash/Expenditures, and
- Payroll and Personnel.

The FFA was in full compliance with 3 out of the 5 areas of the Fiscal Assessment: Financial Overview; Cash/Expenditures; and Payroll and Personnel.

FISCAL COMPLIANCE

CAD found the following areas out of compliance:

Loans, Advances and Investments

- The FFA has \$592,214 of Mutual Fund Investments in Non-Federal Deposit Insurance Corporation [FDIC] insured accounts, including unspent grant and contract funds.

The FFA identified the County paid portion of these funds to be \$22,861.50 and submitted documentation that this amount will be removed from the invested funds. DCFS Fiscal will request supporting documentation during the next on site Fiscal Compliance Assessment Tool (FCAT) administration to ensure this has been completed.

Recommendation:

The FFA's management shall ensure that:

1. County funds are not invested in Non- FDIC insured accounts.

Board of Directors and Business Influence

- The Board of Director's meeting minutes for three quarterly meetings were not certified by the Board Secretary.

Recommendation:

The FFA's management shall ensure that:

2. Board meeting minutes are certified by the Board Secretary.

MOST RECENT FISCAL REVIEW CONDUCTED BY THE AUDITOR-CONTROLLER

A current fiscal review of the FFA has not been posted by the Auditor-Controller.

NEXT FISCAL ASSESSMENT

The next Fiscal Assessment of the FFA will be conducted in County Fiscal Year 2015-16.

**THE VILLAGE FAMILY SERVICES FOSTER FAMILY AGENCY
CONTRACT COMPLIANCE MONITORING REVIEW
FISCAL YEAR 2013-2014**

SCOPE OF REVIEW

The following report is based on a “point in time” monitoring visit. This compliance report addressed findings noted during the May 2014 review. The purpose of this review was to assess The Village Family Services Foster Family Agency’s (the FFA’s) compliance with its County contract and State regulations and included a review of the FFA’s program statement, as well as internal administrative policies and procedures. The monitoring review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, 12 placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed 8 children; however, 4 children were not interviewed due to their young age. During the home visits, the children were observed to be comfortable in the Certified Foster Homes (CFHs) and the Certified Foster Parents (CFPs) were observed to be attuned to the needs of the children. CAD reviewed all 12 case files to assess the care and services they received. Additionally, 4 discharged children’s files were reviewed to assess the FFA’s compliance with permanency efforts. At the time of the review, 2 children currently placed were prescribed psychotropic medication. CAD reviewed their case files to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

CAD reviewed 5 certified foster parent files for compliance with Title 22 Regulations and County contract requirements. Interviews were conducted with the 5 certified foster parents to assess quality of care and supervision provided to the children.

The FFA was in full compliance with 8 out of the 11 sections of our Contract Compliance Review.

CONTRACTUAL COMPLIANCE

CAD found the following areas out of compliance.

Licensure/Contract Requirements

- The FFA received Community Care Licensing (CCL) citations.

On May 8, 2014, CCL cited the FFA as a result of deficiencies and findings. According to the report, CCL substantiated a complaint against a certified foster mother who failed to administer prescribed psychotropic medication to the foster child. During CCL's interview, the CFP admitted she did not give the medication to the child because she was fearful of how the child would react to the drug. On August 14, 2014, CCL requested a Plan of Correction (POC), which required the FFA to provide the CFP with re-training on administering psychotropic medication and personal rights. The FFA provided verification that the CFP received required training on August 26, 2014. The POC was cleared on August 28, 2014. The incident was not reported to the Child Protective Hotline.

On October 14, 2013, CCL substantiated a personal rights violation when it was determined that a certified foster father sexually abused a child. According to the report, the certified foster father inappropriately touched and kissed a child in a sexual manner, which was witnessed by another child placed in the home. This referral was investigated and cross reported to law enforcement by a Department of Children and Family Services (DCFS) Emergency Response (ER) Children Social Worker (CSW), who determined the allegations of Sexual Abuse and At Risk to be substantiated, which resulted in all of the children being removed from the home. The Out-of-Home Care Investigations Section (OHCIS) placed the home on an Indefinite Hold on March 11, 2014, and the home will no longer be used as a placement resource for DCFS children. CCL requested a POC, which included the decertification of the home. The FFA decertified the home on March 25, 2014 and the POC was cleared on April 18, 2014.

On February 26, 2013, CCL substantiated a complaint for a child not receiving services from the FFA. According to the CCL report, the FFA social work assigned to the CFP failed to meet the responsibilities of handling children's funds and allowances, as stated in the FFA Program Statement. CCL requested a POC, which included re-training the FFA social workers on Personal Rights, to provide services as stated in the FFA's Program Statement, and required the FFA to complete unannounced visits to the foster home. The FFA re-trained staff on July 31, 2013 and August 12, 2013. The POC was cleared on August 15, 2013.

Recommendation

The FFA's management shall ensure that:

1. The FFA is in full compliance with Title 22 Regulations, free of CCL citations.

Maintenance of Required Documentation and Service Delivery

- County Children's Social Worker (CSW) did not authorize implementation of the initial Needs and Services Plan (NSP).

Two NSPs reviewed did not have documentation of the FFAs efforts to obtain the County CSW's authorization to implement the initial NSP.

Recommendation

The FFA's management shall ensure that:

2. The FFA obtains or documents efforts to obtain the CSW's authorization to implement the NSPs

Personal Needs/Survival and Economic Well-Being

- One child was not involved in the selection of her clothing.

The child reported that the CFPs would select outfits that, in her opinion were unattractive. Thus, the child was reluctant to wear them at times.

- One child reported not receiving weekly monetary allowances.

The child reported that on occasion, the CFPs do not provide the weekly monetary allowance.

- Encouragement/Assistance to develop a Life Book or a Photo Album was not provided.

Two children reported not receiving encouragement and assistance to develop a Life Book/ Photo Album.

During CAD's follow-up to the FFA on October 22, 2014, the FFA provided verification that all placed children received and are being assisted with the development of a life book.

Recommendations

The FFA's management shall ensure that:

3. All age appropriate children are involved in the selection of their clothing.
4. All age appropriate children are provided with minimum monetary allowances.
5. All children are encouraged and assisted with the development a Life Book/photo album.

PRIOR YEAR FOLLOW-UP FROM DCFS OUT-OF-HOME CARE MANAGEMENT DIVISION'S (OHCMD) FOSTER FAMILY AGENCY CONTRACT COMPLIANCE MONITORING REVIEW

The OHCMD's last compliance report dated August 29, 2013, identified five recommendations.

Results

Based on CAD's follow-up, the FFA fully implemented the 3 of 5 previous recommendations for which they were to ensure that:

THE VILLAGE FAMILY SERVICES QUALITY ASSURANCE REVIEW
PAGE 4

- Special Incident Reports (SIRs) are completed and are cross-reported to all required parties per SIR reporting guidelines.
- CFPs obtain health screenings/TB Clearances prior to certification or one week after certification and documentation is maintained in the certified foster parent files.
- All placed children prescribed and taking psychotropic medication are routinely seen by their prescribing psychiatrist. Also, that a back-up plan is devised by the FFA to ensure on-going medication management.

The FFA did not implement 2 out of the 5 recommendations for which they were to ensure that:

- The FFA is in full compliance with Title 22 regulations, free of CCL citations.
- The FFA obtains or documents efforts to obtain the CSWs' authorization to implement the NSP/Quarterly Reports in a timely manner and documentation is maintained in the children's files.

Recommendation

The FFA's management shall ensure that:

6. The outstanding recommendations from the 2012-2013 monitoring report, which are noted in this report as recommendations 1 and 2 are fully implemented.

At the Exit Conference, the FFA representatives expressed their desire to remain in compliance with all Title 22 Regulations and Contract requirements. The FFA is encouraging its social workers to invite CSWs to Child/Family Team meetings to discuss goals for the NSP. On October 22, 2014, during an on-site follow-up visit, CAD Compliance verified that the FFA provided NSP training to FFA staff responsible for developing and approving NSPs.

On August 6, 2014, OHCMD provided the FFA with technical support related to findings indicated in the 2013-2014 Contract Compliance Review.

Attn: Tony Curry, Children's Services Administrator I

Dear Mr. Curry,

As a follow up to your e-mail from July 10, 2014 relative to The Village Family Services' 2013-2014 Compliance Review, please find the following corrective action:

1) Licensure/Contract Requirements

Question 4: Is the agency free of substantiated Community Care Licensing complaints' reports on safety and physical plant deficiencies since the last review? (SAFETY)

Response: Regarding the allegation dated 2/26/13, CCL found this allegation to be substantiated. A POC was completed and approved for the CCL citation given. (See approved POC attached). The allegation dated 10/2014 was also found to be substantiated and the home was therefore decertified (see proof of decertification attached).

2) Maintenance of Required Documentation 1 and Service Delivery

Question 27: Did the FFA obtain or document efforts to obtain the County worker's authorization to implement the NSP? (WELL-BEING)

Response: On July 30, 2014, during an all-staff training, FFA social workers were trained on ensuring all efforts are made to receive CSW's authorization to implement NSPs and are documented in the minor's chart (See proof of training attached). Foster Care Social Workers were encouraged to invite CSWs to CFT meetings to discuss goals for NSP as well. FFA supervisors will also check and ensure all attempts are made to receive CSW authorization to implement the NSP in a timely manner.

3) Personal Needs/Survival and Economic Well-Being

Question 60: Are children, appropriate to their developmental level, involved in the selection of their clothing? (SELF-SUFFICIENCY)

Response: At the discretion of the FCSW and CSW, as children demonstrate age appropriate and developmentally sound judgment, a notation will be added to monthly clothing allowance form to address a child's interest and plan in selecting his/her clothes. (See revised clothing/allowance form attached).

Question 62: Are children always provided with weekly monetary allowances? (If after November 1, 2012, minimum base allowance per contract) (SELF-SUFFICIENCY)

Response: Monthly reports are collected for each client reflecting weekly allowance logs with minor's signature, if age appropriate, assuring the disbursement of allowance. Supervisors will review monthly reports and randomly complete home visits to interview children and ensure allowances are consistently distributed unless otherwise documented in the NSP.

4) Question 64: Does the certified foster parent encourage and assist children to update a life book or a photo album? (PERMANENCY)

Response: Life books will be included as a check off item on "Receipt of Foster Youth Bill of Rights form" to assure distribution to each client at time of placement. (See checklist attached). Foster parents and social workers will assist children with updating this life book regularly.

I thank you for your professionalism and appreciate your quality improvement feedback. Should you have any questions, please do not hesitate to contact me.

Sincerely,
